Note: In order to be entitled to preferential tariff treatment, each good must meet at least one of the criteria below.

Preference Criteria

A The good is wholly obtained or produced entirely in the Area of one or both Parties, as defined in Article 38.

B The good is produced entirely in the Area of one or both Parties exclusively from originating materials.

C The good is produced entirely in the Area of one or both Parties using non-originating materials and satisfies the specific rule of origin set out in Annex 4, as well as all other applicable requirements of Chapter 4, when the good is produced entirely in the Area of one or both Parties using non-originating materials.

D Goods are produced entirely in the Area of one or both Parties, but one or more of the non-originating materials that are used in the production of the good do not undergo an applicable change in tariff classification. The goods do nonetheless meet the regional value content requirement specified in subparagraph 1 (d) of Article 22, and satisfies all other applicable requirements of Chapter 4. This criterion is limited to the following circumstances:

(i) the good was imported into a Party in an unassembled or a disassembled form but was classified as an assembled good pursuant to Rule 2 (a) of the General Rules for the Interpretation of the HS; or

(ii) the heading for the good provides for and specifically describes both the good itself and its parts and is not further subdivided into subheadings, or the subheading for the good provides for and specifically describes both the good itself and its parts.

Note: This criterion does not apply to Chapters 61 through 63 of the HS (Reference: subparagraph 1(d) of Article 22).

TPL The good classifies in Chapter 61, 62 or 63 and qualifies as originating under paragraph (f) of Section 1 of Annex 4.

If the invoice is issued by a person different from the exporter to whom the certificate of origin is issued and the person who issues the invoice is located in a non-Party, the number of invoice issued for the importation of goods into the Area on one of the Parties should be indicated, and in Field 11 it should be indicated that the goods will be invoiced in a third country, identifying the full legal name and address of the person that issued the invoice.

If the number of invoice issued in the third country at the time of issuance of the certificate of origin is not known, the Field will be left blank and the importer will provide to the customs authority of the importing Party a sworn declaration that justifies the fact. In this declaration the importer will indicate, at least, the number of the invoice and the certificate used for the importation.
